

CHI®

Handheld Garment Steamer

Reliable Power

Dual Steam Modes

Large Capacity Water Tank

- **Introducing the CHI® Handheld Garment Steamer:** The CHI® Handheld Garment Steamer gives you the steaming power of the pros. Engineered with CHI technology and premium materials, the CHI Handheld Garment Steamer delivers the professional performance you can only expect from CHI.
- **Effortless Performance and Control:** Ready in seconds, this powerful garment steamer heats up quickly, so you never have to wait. As you steam away wrinkles on clothing and fabrics around your home, you'll love the reliability and flexibility CHI products provide. Equipped with 2 continuous steam modes for normal and more stubborn jobs, this steamer can blast out any wrinkles with ease.
- **Steam Anytime, Any Way:** Made with premium materials for long-lasting performance, this steamer's ergonomic handle and well-balanced weight ensures that you can comfortably move and direct steam right where you need it, working out wrinkles from hanging clothes or drapes by holding the steamer vertically, or remove wrinkles from bed sheets, linens and more. When it is time to add water, the large opening makes filling easy.
