## Lava Iron

Powerful Steam

Lava-infused Soleplate

Temperature Control

- **Introducing the CHI® Lava™ Iron:** The only iron engineered with a lava-infused ceramic soleplate, the CHI® Lava™ iron provides an extra smooth glide and excellent heat conduction. The CHI® Lava™ Iron's sleek and durable design provides a high-quality, professional iron and steaming experience into your home.
- **Effortless Performance and Control:** The Lava™ iron makes ironing effortless thanks to its unique design and lava soleplate. Featuring a temperature dial that allows for customization of fabric type for complete temperature control and an anti-drip feature ensures your fabrics are always looking flawless. The CHI® Lava Iron is equipped with an easy to grasp, comfortable handle, and a blast button that pumps steam exactly where you need it. With just a quick slide, the steam lever goes from no steam to full steam for a quick refresh.

### With CHI® Flat Iron Technology

Volcanic Lava Infused Soleplate combined with powerful, precise steam control for the pros at home

### Details

CHI® Lava™ Iron (13130)

MSRP: \$69
